

Document Name: E-MAIL DISCLAIMER

Revision: 3

Date: 29 June 2021

Confidentiality

The information contained in this e-mail message and all attachments thereto comprise confidential and/or privileged information intended solely for the use of the individual or entity to whom it is addressed, and others authorised to receive it. If you are not the intended recipient, you may not, in any manner whatsoever, disclose, copy, distribute, or take any action based on the contents thereof – please inform the sender immediately if this has been sent in error, and destroy all copies thereof.

Any copying, publication, or disclosure of this message, or any part thereof, in any manner whatsoever, without the sender's express written permission, is strictly prohibited. No opinion expressed or implied by the sender necessarily constitutes the opinion of Network & Computing Consultants.

Network & Computing Consultants accepts no responsibility or liability for any action or failure to act as a result of the information contained in this message, unless such information or opinion has been confirmed in writing by a duly authorized employee of Network & Computing Consultants.

Security

Network & Computing Consultants does not warrant that this message is free of damaging codes, viruses, errors or interference, of any nature, and Network & Computing Consultants accepts no responsibility or liability for any damages, costs, or expenses incurred by the addressee or any other person, entity, or individual in this regard.

Copyright notice

We are the copyrights owners of our messages. We reserve all rights we do not expressly grant.

Interception and Monitoring

We reserve the right to intercept, monitor and disclose all messages to fulfil any legal, regulatory or other obligation. Employees do not have the right to privacy when creating, sending and receiving, and storing email messages in any form on NCC's systems.

If you do not want NCC to read your messages, whether sent via email, text message, WhatsApp or in any other format, do not communicate with us via any of these messaging platforms

This Disclaimer can be amended, at Network & Computing Consultants sole discretion from time to time, and users are therefore advised to view this website regularly.
